

PRODUCT DATA SHEET

TOP GREEN

Product Overview

TOP GREEN SUPER OIL TREATMENT IS A
STATE-OF-THE-ART 3-IN-1 FORMULA
ENGINEERED AS:

- 1) A VISCOSITY INDEX (VI) IMPROVER
- 2) A FRICTION MODIFIER
- 3) AN ENGINE TREATMENT

Features & Advantages

Prevents friction and wear

Prolongs engine life

Reduces oil consumption

Increases engine power

Engines run cooler & smoother

Reduces smoke & noise

Saves on fuel & consumption

Reduces all metal wear

Typical Characteristics

| Name, units | Test Method | TOP GREEN |
|----------------------------------------|-------------|--------------------------|
| Flash Point (COC), °C | ASTM D92 | 72 |
| Simulated Intake Valve Sediment, mg | ASTM D6201 | 0.1 |
| Chlorine Content, mg/kg | | 2.3 |
| Sulfur Content, mg/kg | | 20 |
| Appearance | Visual | Clear and transparent |

GO SYNTHETIC
